

Healthcare anytime from your phone 24/7

We're here to support you through the COVID-19 pandemic. Book a video appointment today.

¹ Access to telehealth services does not guarantee that a prescription will be written

² Provider participation in your health plan network and referral by a primary care physician may apply. See your health coverage document for information regarding your health coverage

³ Behavioral health services are available weekdays 7 am - 7 pm

Get started with
the **Babylon app**

Download on the
App Store

GET IT ON
Google Play

Babylon takes measures to make sure your data is secure in our application. See our Notice of Privacy Practices to learn how we handle your data. Available for iPhone & Android devices.

Get started with babylon

iPhone

Android

01 Download the app

Search for **Babylon** in the Apple App Store or on Google Play.

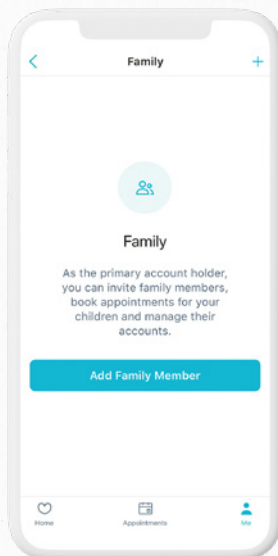

or

Scan one of the QR codes to the left.

ITC

02 Register yourself

When Babylon asks if you have a code, enter: **ITC**

03 Add a child under 18

Tap the **Me** tab and select **Family**

Please Note: If you are a parent or guardian setting up an account for a child under 18, register first and add the child to your account. You do not have to be covered by Iowa Total Care to register.

Translation services are free of charge. Just tap “Request a Translator” when you book your appointment.
