

Missing a high school diploma?

Earn your HiSET certificate!

Show that you have the same knowledge and skills as a high school graduate with the high school equivalency test (HiSET).

The test covers five subjects: reading, writing, math, science and social studies.

Once you pass the test, you'll get a high school equivalency diploma (HSED). Having an HSED can help you achieve your career and school goals. And by passing it, you can earn a reward for participating!

Are you 18 years
of age or older?
