If you need them, interpreter services are provided at no charge to you, including sign language and real-time oral interpretation. To get an interpreter, call Member Services at 1-833-404-1061 (TTY 711).

We are adding new providers every day. If your doctor is not listed or their information does not look complete, please check online for new updates at IowaTotalCare.com or call Member Services at 1-833-404-1061 (TTY 711).

EASY TO USE

Getting benefits from Iowa Total Care is easy. We believe the best way for you to keep good health is to develop a good relationship with your family physician. If you use a wheelchair, walker, or other aids and need assistance getting into your provider's office, call their office before you get there. This way someone will be ready to help you when you get there. If you would like help talking with your provider about your special needs, call Member Services at 1-833-404-1061 (TTY 711).
