Services or Supports that are needed but declined, not available, or inaccessible

Services, supports and resources identified in this PCSP are adequate to meet my needs:

Service / Support / Resource	Reason for not utilizing	How is the need being met?

My Discharge Plan for Services

I understand that waiver and habilitation services are voluntary and can be ended at any time. If I end my waiver or habilitation services, there may be an impact on my Medicaid as well as the service and supports for which I qualify. If I lose Medicaid eligibility, I will also lose my waiver and habilitation services. If my level of care changes or I reach all of my goals, I may not qualify for waiver or habilitation eligibility services anymore. If I do not meet with my Health Home Team, my waiver or habilitation eligibility could be impacted. In order to stay eligible for CMH waiver services, I must use at least one unit of CMH waiver service every three months.

My discharge plan for each service I receive is as follows:
