Get Free Help This Tax Season

Tax time can be confusing. You have many options for help with filling out your tax return and getting filed on time. Best of all, these options are free to use.

Volunteer Income Tax Assistance (VITA)

The Internal Revenue Service (IRS) offers a free program for people who need help filling out their tax documents. Volunteers are trained and ready to work with you throughout the tax season.

Tax Counseling for the Elderly (TCE)

If you are 60 years and older, the IRS provides free assistance with its TCE program. IRS-certified volunteers can help with tax questions about pensions and retirement. VITA and TCE sites are close to where you live. You can find them nationwide at places like community centers, libraries, and schools. Visit <https://irs.treasury.gov/freetaxprep/> to find a VITA or TCE site. Or, call 1-800-906-9887. Before you go, make sure you have the paperwork you'll need. Find the full list of what to bring at <https://www.irs.gov/individuals/checklist-for-free-tax-return-preparation>.

IRS Phone Assistance

If you have questions about filling out your return, call the IRS at 1-800-829-1040 (TTY/TDD: 1-800-829-4059). Representatives are available to help from 7 a.m. to 7 p.m. Your wait time can vary. The IRS estimates it at about 15 minutes.

MyFreeTaxes

The United Way and H&R Block have teamed up to create MyFreeTaxes. It's a website with 24/7 access to H&R Block expert software. Plus, you can use this free service to electronically file your state and federal taxes. The software can even check for any tax credits you may have missed. And that is important in helping you get your maximum refund. Visit myfreetaxes.com for more information.

CAHPS Surveys

Member Satisfaction Surveys have been sent out to a group of randomly selected Iowa Total Care members. If you receive the survey, please fill it out and return it as soon as possible.

All Iowa Total Care Member Satisfaction Surveys will be distributed and collected by SPH Analytics. CAHPS surveys were scheduled to be sent out around February 24th.

Please note: this survey will not collect any personal or identifiable information. **All survey responses are confidential.**

MEMBER STORY: Interpreting Needs Translates to Better Care

Receiving a new prescription can already be overwhelming but it can be even more difficult when you can't read the label on your prescription. An Iowa Total Care member didn't speak English nor did anyone in their family.

Upon receiving their new prescription, a member contacted Iowa Total Care for assistance translating the label on their prescription. Iowa Total Care staff worked diligently with an interpreter to explain how to use the new inhaler and put the member's mind at ease.

But our staff didn't just stop there, they reached out to the pharmacy and suggested they use the same professional translation and interpretation resources as Iowa Total Care when printing non-English prescription labels and medication instructions.

Another great example of how Iowa Total Care adapts and thinks of every way possible to help our members and remove barriers.

- Consider bringing a close friend or family member with you.
- Feel free to take notes and ask the Doctor if you need clarification.
- Ask questions.
- Learn how to access your online medical records using patient portal Apps.

Update Your Address

When COVID-19 first began, there was a rule put in place to make sure all Iowa Medicaid members received healthcare coverage, no matter if they were eligible for the program or not. This rule is known as Continuous Coverage Requirement. Starting April 1, 2023, this rule will be ending. This means you will go through a review process to see if you qualify for Iowa Medicaid coverage. You can expect to receive mail from Iowa Medicaid. It's important to check your mail regularly and respond to

requests for information to make sure you don't lose coverage unnecessarily.

So, ensure your address, phone number and email contact information are up to date. You can call Iowa Medicaid Member Services at **1-800-338-8366**.
