Prior authorization (PA) is not required for preferred direct oral anticoagulants (DOACs). Prior authorization is required for non-preferred DOACs. Requests will be considered for FDA approved dosing and length of therapy for submitted diagnosis. Requests for doses outside of the manufacturer recommended dose will not be considered. Payment will be considered for FDA approved or compendia indications for the requested drug under the following conditions: 1) Patient is within the FDA labeled age for indication; and 2) Patient does not have a mechanical heart valve; and 3) Patient does not have active bleeding; and 4) For a diagnosis of atrial fibrillation or stroke prevention, patient has the presence of at least one additional risk factor for stroke, with a CHA₂DS₂-VASc score ≥1; and 5) A recent creatinine clearance (CrCl) is provided; and 6) A recent Child-Pugh score is provided; and 7) Patient's current body weight is provided; and 8) Patient has documentation of a trial and therapy failure at a therapeutic dose with at least two preferred DOACs; and 9) For requests for edoxaban, when prescribed for the treatment of deep vein thrombosis (DVT) or pulmonary embolism (PE), documentation patient has had 5 to 10 days of initial therapy with a parenteral anticoagulant (low molecular weight heparin or unfractionated heparin) is provided. The required trials may be overridden when documented evidence is provided that the use of these agents would be medically contraindicated.

Preferred (no PA required if within established quantity limits)

Non-Preferred (PA required)

- Eliquis Xarelto
- Pradaxa

- Bevyxxa
- Savaysa

Strength	Dosage Instructions	Quantity	Days Supply
_____	_____	_____	_____

Diagnosis: _____

Does patient have mechanical heart valve? Yes No

Does patient have active bleeding? Yes No

Patient body weight: _____ Date obtained: _____

Provide recent creatinine clearance (CrCl): _____ Date obtained: _____

Provide recent Child-Pugh score: _____ Date completed: _____

IMPORTANT NOTE: In evaluating requests for prior authorization the consultant will consider the treatment from the standpoint of medical necessity only. If approval of this request is granted, this does not indicate that the member continues to be eligible for Medicaid. It is the responsibility of the provider who initiates the request for prior authorization to establish by inspection of the member's Medicaid eligibility card and, if necessary by contact with the county Department of Human Services, that the member continues to be eligible for Medicaid.
