Prior authorization is required for vorapaxar (Zontivity™). Payment will be considered under the following conditions: 1) Patient has a history of myocardial infarction (MI) or peripheral artery disease (PAD); and 2) Patient does not have a history of stroke, transient ischemic attack (TIA), intracranial bleeding, or active peptic ulcer; and 3) Patient has documentation of an adequate trial and therapy failure with aspirin plus clopidogrel; and 4) Patient will use vorapaxar concurrently with aspirin and/or clopidogrel. The required trials may be overridden when documented evidence is provided that the use of these agents would be medically contraindicated.

Zontivity™

Strength	Dosage Instructions	Quantity	Days Supply

IMPORTANT NOTE: In evaluating requests for prior authorization the consultant will consider the treatment from the standpoint of medical necessity only. If approval of this request is granted, this does not indicate that the member continues to be eligible for Medicaid. It is the responsibility of the provider who initiates the request for prior authorization to establish by inspection of the member's Medicaid eligibility card and, if necessary by contact with the county Department of Human Services, that the member continues to be eligible for Medicaid.
